**Start Date:** Immediately

**Salary:** Pay per program, available upon request. Benefits.

**Status:** Part-time (up to 20-30 hours/week)

---

## **About Tree Frog Treks**

Tree Frog Treks is a mobile science education company based in San Francisco. We offer a variety of school and community programs designed to make science fun, connect kids with nature, and exercise imaginations of all ages. We endeavor to help children develop better retention skills, a new-found enthusiasm for learning and a greater appreciation of the wonderful world around us. We use live reptilian and amphibian contact to excite students about science and draw them into a fun, hands-on curriculum.

## **Summary of Role**

This is an assistant educator position for school enrichment programs and special events in and around San Francisco. Teachers will assist at school enrichment programs and special events based on different curriculum (provided by Tree Frog Treks). Teachers will also use live reptile and amphibian contact to excite students about science and draw them into our fun, hands-on curriculum. The primary student audience is pre-K through 5th grade. This position entails teaching afternoons, weekends, and some mornings with the opportunity to increase hours. A science background is helpful and preferred, but not necessary.

## **Qualifications:**

- A background in science, art, or environmental education.
- Experience working with young children.
- Ideal candidates **MUST** have a car and valid California driver's license. We are a mobile classroom with classes around the Bay Area.
- Must pass TB test and fingerprint clearance through Department of Justice.
- Must be able to maintain constant positive attitude and enthusiasm. Passion for working with youth a must.

## **Description of Responsibilities**

### **Science Enrichment Education**

- Assist Lead Teachers in a variety of Tree Frog Treks programs including after school and in-class science enrichment, assemblies, classroom visits, and field trips during the school year. Tree Frog Treks also offers summer camps, birthday parties, nature treks, evening childcare and more.
- Bring creativity and innovative thinking to the program while also adhering to the structured program model.
- Demonstrate a passion to introduce critical thinking and science enrichment to students both in and out of school.

### **Classroom Management**

- 12-25 students, with a Lead Teacher.
- Create a positive learning environment to ensure that students meet Tree Frog Treks education expectations.

### **Other Responsibilities**

- Collect demographic assessment data to supplement reports for grant programs.
- Communicate effectively with students, families, and colleagues.
- Commit to continual professional growth, participating actively in regular Tree Frog Treks meetings.
